Quality & Safety First

As an industry leading company, we produce the best products in terms of design as well as quality to our clients at a rate of over 1.5 million units a year. We are committed to making sure all of the thousands of products per week we produce meet the highest standards for safety and quality.

BrandCharger is among the first to achieve 'Product Safety Aware' status in the Promotional Products Association International (PPAI, UNITED STATES) Product Safety Awareness Program.

Certified sustainability ♻

Brandcharger is certified by the Textile Exchange (www.textileexchange.org) to supply products made from RPET carrying the Recycled Claim Standard (RCS)
Using RPET drastically reduces carbon footprint by removing the need to use energy to extract and create new raw plastic material. The process of sorting, washing, and flaking post-consumer PET to make new RPET requires drastically less energy (75% less) than creating raw plastic.

NEW

Crosspack, anti theft sling/hip bag.
Designed for modern nomads, with a durable urban-inspired aesthetic combined with everyday functionality. Versatility is at the heart of Crosspack from tough padded construction fortified by cut resistant Cordura® Fabric that keeps your belongings secure on any trip. Furthermore, organisation is taken to the next level with a number of smart pockets, incorporation of RFID bag security and comfort points for a premium carrying experience.

Now you can stop watching your bag and look up to see the world in front of you. Our built-in 3-Point Anti-Theft security buckle will protect your valuables from pickpockets and thieves.
Crosspack uses slash-resistant Cordura® Fabric on all 4 sides and the bottom body panels, a slash-resistant wire reinforced strap, a hidden zipper; and a RFID blocking organizer.

Packs your belongings with peace of mind.

Lumie

This cool gadget turns your phone's camera flash into a bright lightbulb.

Most smartphone camera flashes are decent flashlights, but it's incredibly bright and can be a little harsh on the eyes. Lumie turns your smartphone's flash light into a comfortable, bright light bulb functioning as: reading-light, nightlight, emergency light, camping light etc.

The foldable silicon lamp design makes Lumie portable and can be easily stored while you're traveling. It's easy to install on most smartphones, and even easier to remove when you need to take a call.

Now that's a bright idea!
